

Mattress Liners For Use Against Bed Bugs & Dust Mites

ActiveGuard™

Mattress Liner

Developed by a team of medical entomologists at the prestigious London School of Hygiene and Tropical Medicine, the revolutionary *ActiveGuard* is designed with chemically enhanced polyester fibers that release an active ingredient* that **KILLS bed bugs and dust mites** on contact. What's more, *ActiveGuard* protects against and **KILLS** bed bugs for up to two years after initial installation. Completely safe to use and very cost effective, *ActiveGuard* is FDA approved and registered by the EPA in all 50 states.

ActiveGuard continues to kill for up to 24 months after initial installation.

Made In Europe
